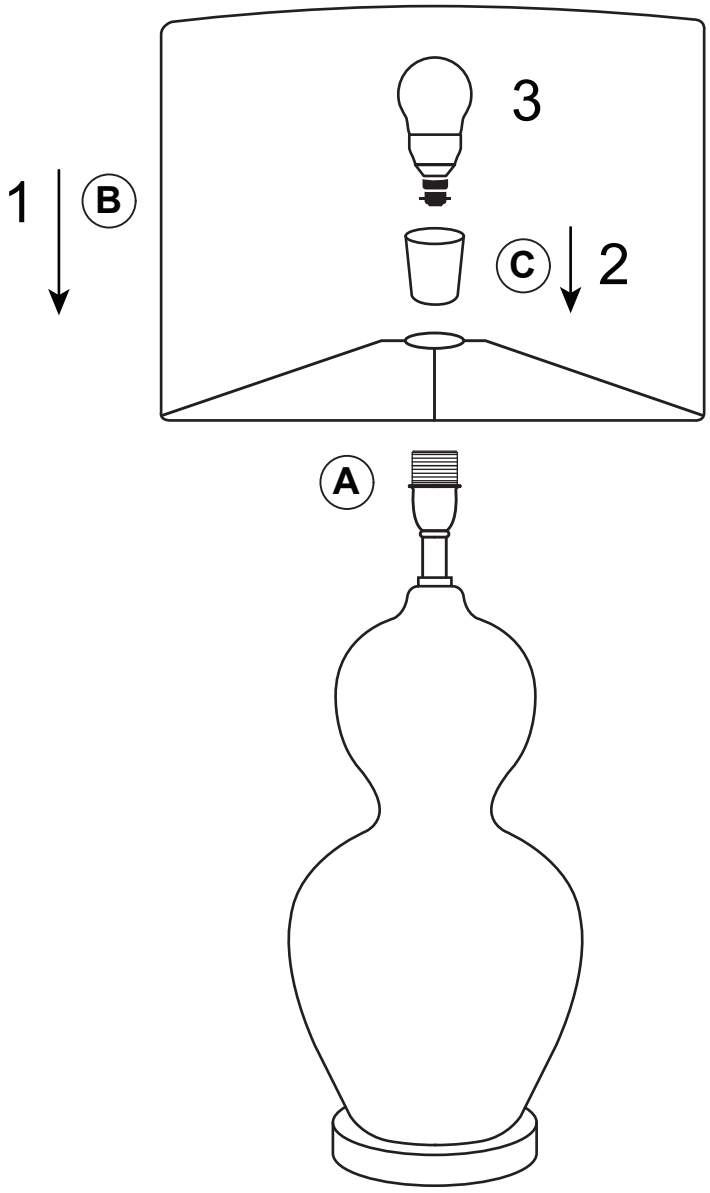
Component Checklist

REF	A	B	C
PART			
NAME	Lamp base	Shade	Lamp holder skirt
QTY	1	1	1

Putting Me Together



1. Carefully unpack all parts from box and place lamp base on flat surface.
   Place shade (B) on top of lamp base socket (A).
2. Screw lamp holder skirt (C) on to lamp base socket (A) to secure shade lightly.
3. Insert B22 globe into lamp holder (globe not included).
   NOTE: Make sure there is no power to lamp while inserting or changing globes.

220-240V-50Hz B22 Max. 40W

Bulb not included
