

DOMINIQUE ALABASTER TABLE LAMP

12255

Simple and elegant, the Dominique table lamp is defined by a stunning slab of alabaster stone atop a brass base and completed with a rectangle linen shade and matching brass finial.

Sharp, clean lines frame the classic column silhouette to create a functional showpiece.

The use of natural materials that shape this rectangular form brings a sophisticated organic element to a space. A slubbed white linen shade for a soft and dreamy ambience.
