

ZAMORA TRAVERTINE TABLE LAMP

12411

Understated yet striking, the Zamora Travertine Table Lamp exudes mid-century elegance. Polished travertine contrasted with brass and a milky hue orb create a gentle ambiance, casting a warm and inviting light into the surrounding space. The orb is seamlessly integrated into the lamp's design, appearing to float effortlessly atop the brass stem. Sleek and contemporary Zamora's geometric lines and harmonious combination of natural materials make it a versatile addition to any modern interior. Whether placed on a bedside table, desk, or living room buffet. Also available in Marble.
