## Putting Me Together

**WARNING:** Switch off the main electrical supply from main fuse box/ circuit breaker before installation

**NOTE:** We recommend installation of this lightning fixture be done by a licensed electrician.

- ① Carefully, remove all parts from the box. Drill holes in the ceiling support beam based on the size of expansion tube (A) and in line with holes in hook (C).
- ② Insert expansion tubes (A) in the holes in the ceiling support beam, then hook (C) with screws (B).
- ③ Connect the 3 power wires from the pendant to the power wires in the ceiling.  
Brown is the Live wire  
Blue is the Neutral wire  
Green/Yellow is the Earth wire
- ④ Attach the brass canopy (E) to hook (C) and secure with nut lock (D).  
Attach chain (F) to brass canopy (E), as shown.

## Putting Me Together

5
