Important Safety Issues:

This product must be installed by a professional, licensed electrician according to AS/NZ 3000.

Ensure power supply is switched off before installation

Modifications of this product will void any warranty

Vencha Lighting does not take responsibility for wrong installation or incorrect use.

Steps for Installation:

Turn off power, make sure circuit is free of voltage.

Remove mounting bracket from ceiling light.

Secure bracket on ceiling in desired location that is capable of supporting product.

Connect fitting to appropriate power source.

Once fitting connected, ceiling light clips onto bracket.

Once installation is complete, turn power back on and test fitting operates correctly.
