

Aura Series

LED Step Light

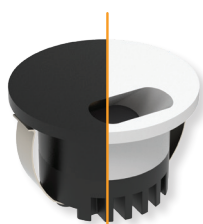

Description

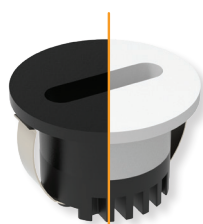

The AURA series is a mini recessed LED Step Light range that offers a variety of different fascia designs, which produce different stunning lighting effects. The AURA is constructed from die-cast aluminium, complete with an asymmetrical optic lens over an energy saving 3W COB LED chip, capable of providing a nice even flow of light on low-level surfaces and interior walkways and hallways. Available in Black and White painted frames, with the choice of round and square fascia's. Choose from the following Fascia Opening Designs: Narrow, Wide, Slot, Round Ring, Square Ring and Halo designs. Complete with Flicker Free dimmable LED Driver (240V), and also available in 24V DC for low voltage applications. Choose between 2700K (Warm White), 4000K (Neutral White) or 6000K (White) colour temperature options (tri-colour switchable). Backed by a 3 Year Warranty.
