

LIGHTING THAT OUTPERFORMS

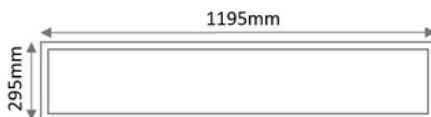

SINCE 1998

PANELS - BACKLIT LED

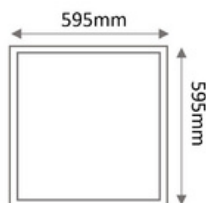

Our LED Panel lights are ideal for T-Bar ceiling grids, surface mount brackets or with plaster recessed frames. Ideal for work and office environments as well as residential applications. Available in 4000K (40W only) or 3CCT (colour selectable temperature) with an inbuilt dip switch, choose from 3000K/ 4000K / 6000K. All Backlit LED panels include a "Flicker Free" remote non-dim LED driver with flex and plug. With 5 Year Warranty.
