

Miley-10

LED Wall Light

Description

The MILEY-10 is a modern and decorative IP65 Interior or Exterior Wall light that is designed as a stunning indirect light which produces a glow of light on the decorative cover from the LED light source above. This impressive glow offers an attractive down lighting effect to wall areas where ambient highlight lighting is required. Tricolour switchable: choose between Warm White 3000K, Neutral White 4000K, or White 5700K colour temperatures with the flick of a dip switch. Featuring a Black or White powder coated Aluminium frame, with a frosted polycarbonate decorative lens diffuser. Complete with Flicker Free Driver to avoid light flickering in videos. Backed by our 3 Year Replacement Warranty.

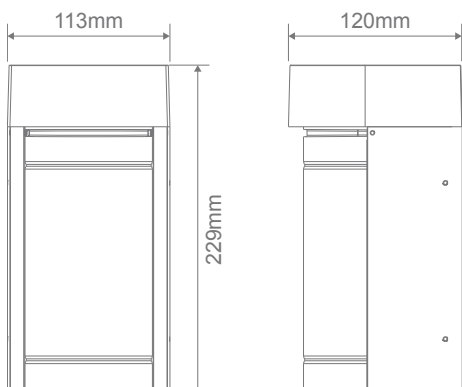

The use of diffuser is optional (Included)
