

MURO-ECO-20S 20W Twin Spotlight with Sensor

Description

The MURO-ECO LED Security Spotlight Series provides a high brightness light output solution for outdoor lighting. Rated at IP65, and with a Polycarbonate construction, the MURO-ECO can brave the elements while providing you with a consistent wash of LED light over your favourite outdoor areas as well as coastal areas. The MURO-ECO features a fast installation backplate with male/female plug and slimline sensor, enabling detection and automatic power-up of this super bright LED spotlight. Choose from 3000K/4000K/5000K colour temperature output of the spotlight with a dip switch at the back of the fitting. Available in Black and White colour options with the choice of with or without sensor.

Specification Features
