UOW-RIO380-EXT-BK

UOW-OASIS800-BLK

Oasis Bollard

Specifications:

Material: High strength aluminium with 2.5mm wall thickness suitable for commercial application

Finish: Black powder coat suitable for coastal and outdoor application.

Lamp Holder: E27 with space for an A60 globe (Globe Excluded)

Lens: 85mm High Clear Polycarbonate with protective grille

Dimensions: $\varnothing$ 100mm x 800mm

Warranty: 3 Years

For applications where 12 volt is more suitable the Oasis can be wired to a driver and used with 12 volt globes with an E27 base. We recommend using our 12 volt 9W Corn light in 3000K or 5000K.
