**Description**

Introducing the Cougar Perigan Modern Candelabra 6-Light Open Frame Pendant - your new statement lighting obsession! This stunning modern industrial candelabra pendant light delivers serious drama with its six E14 candlelight holders arranged to exude sophisticated charm. It's the perfect modern vintage metal pendant that transforms dining rooms, entryways, and living spaces into absolute showstoppers.

Boasting an expansive 630mm width and impressive 685mm height, this grand fixture commands attention and fills larger spaces with elegant presence. Whether you're going solo for spacious dining areas or creating dramatic focal points in grand entryways, this transitional beauty delivers versatile indoor lighting magic. The clever open frame design, finished in matte gold, makes globe changing effortless, while the 2000mm adjustable suspension ensures perfect positioning for any interior lighting scheme — because stunning design should never compromise on practicality!
