Description

Meet the Cougar Rayna 2-Light Opal Matte Wall Light, your new favourite modern minimalist glass orb wall scone that's about to make your walls seriously jealous of each other! These twin matte opal glass beauties sit perfectly in their sleek matte black metal frame, creating the ultimate style-meets-substance combo for any indoor lighting makeover you've been putting off.

Here's the kicker; this chic little number plays nice whether you mount it vertically or horizontally, so your interior lighting dreams just got a whole lot more flexible. Plus, with IP44 rating, it's tough enough for bathrooms but classy enough for your lounge room. Talk about having your cake and eating it too!
