

LIGHTING THAT OUTPERFORMS

SINCE 1998

FENTI RECESSED MINIMALIST LUMINAIRE

The Fenti luminaire is a design with a minimalist aesthetic look and preform a trick of light: architecture that opens to illuminate itself

This recessed luminaire is a masterpiece of precision, Nano technology capable of transforming a small invisible CREE XPE 3535 LED (3000K) into a powerful and uniform circle of light without punctuform effect
