

LIGHTING THAT OUTPERFORMS

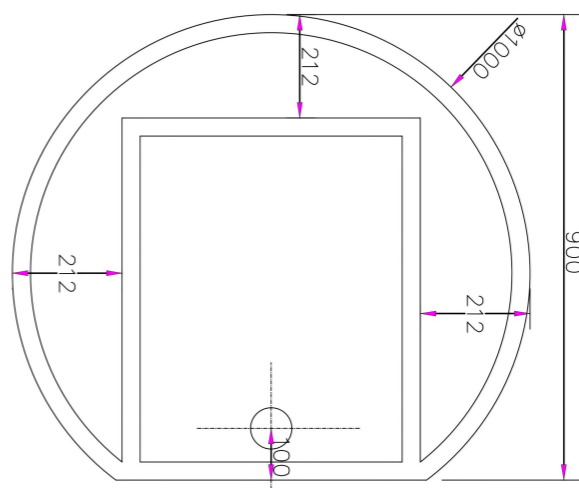

SINCE 1998

LUNE 900 x 1000mm CRESCENT SHAPE LED MIRROR

Enhance your space with the stylish Lune Wall LED Mirror, crafted to combine elegance and practicality. Featuring a distinctive crescent silhouette and a sleek frameless design with backlit LEDs, it brings a modern touch to any bathroom, bedroom, or dressing area. The energy-saving LED lighting offers adjustable brightness and colour options, while the integrated demister guarantees a clear reflection even in humid environments. The LED mirror can be rotated and secured in either a vertical or horizontal position, making it a stylish and functional addition to any home or office.
