

LIGHTING THAT OUTPERFORMS

SINCE 1998

AERO E27 Pendant Lights

Simple, modern and yet somewhat vintage in its feel, the AERO E27 Pendant Light plays on the trend of revisiting the past through design.

The cloth cord is available in black, red and white. This variety ensures the E27 will adapt to all interiors, both classic and modern. A number of different coloured E27 pendants used in conjunction can create a funky, pop art feel to a room.

Perfect for use in both residential and commercial settings.
