

LIGHTING THAT OUTPERFORMS

SINCE 1998

VERSANA

The Versana wireless Table or Wall Luminaire features a magnetic base and touch control switch. It offers three colour temperatures with gradual dimming, a high-transmittance lampshade, and convenient Type-C charging (5–6 hours charging for 5–20 hours of usage). The lamp head can also be removed and used as a flashlight. Perfect for bedrooms, living rooms, desks, dining rooms, offices, or even outdoor use.
