**VICTORIANA 30**

SKU:OL2270/30BK

Traditional conical steel shade in matt black (with a white inner for greater light reflection). Ideally suited for use with the decorative LED filament globes. Designed to fit on an E27 lampholder, looks great with our PARTI or ALBANY suspensions (available separately). A great inclusion in our Industrial range of metal shades, black looks good on any colour suspension. Use our shade adapter ring (OLA16/SHADE) to reduce the E27 opening to suit a B22 (Bayonet) lampholder.

**Additional information**
