## Putting Me Together

**WARNING:** Make sure the lamp is unplugged from the wall socket lamp while changing bulbs.

- ① Place Lamp Base (A) on a flat surface.
- ② Place Shade (B) onto Lamp Base (A).
- ③ Place Lamp Holder Cover (C) onto Lamp Base (A) and turn clockwise to tighten securely.
- ④ Install a light bulb (not included) into the lamp holder, turn clockwise to tighten securely.
- ⑤ Insert the plug into your wall socket, turn on the switch and enjoy your Gabrielle Crystal Table Lamp!

220-240V-50Hz B22 Max. 40W
